Number of Credits Enrolled	Cost per term all Programs ***
12 -18 credits (Full time)	$3,915.00
9 - 11 credits	$3,094.00
6-8 credits	$2,117.00
5 credits or less	$320.00 per credit

Cost per credit for a full-time student (examples):

For a full-time student enrolled in Bachelor's Degree the cost per credit is $ 293.63 (Based on the typical academic load of 120 credit hours).
For a full-time student enrolled in Associate's Degree the cost per credit is $ 326.25 (Based on the typical academic load of 60 credit hours).
For a full-time student enrolled in Certificate Program the cost per credit is $ 326.25 (Based on the typical academic load of 36 credit hours).

If the student enrolls 19 credits or more, the cost (after 18 credits) will be computed proportionally, according to the tuition cost per semester.
* To be paid in advance.
**Per duplicate document. Does not apply to copy of Class Program. To be paid at the time of your request.

Notes: a. The university reserves the right to modify the costs of studies without prior notice.
        b. The student's account will be charged the cost for: 1) value received or to be received for activities or services not contemplated above, provided that the student agrees with it; and 2) for fines for violation of regulations, and library, among others.
