TO THE ENTIRE UNIVERSITY COMMUNITY

TUITION, FEES AND OTHER CHARGES

Greetings to the entire student population, faculty, and administrative employees of Columbia Central University. We hope this message finds you well.

During this academic year 2023-2024, Columbia Central University continues to focus on meeting the challenges of these times, and providing our students with educational experiences of quality and excellence.

Included is the amended Tuition, Fees and Other Charges disclosure applicable for students in undergraduate and graduate programs, enrolled in terms beginning on or after July 1, 2023.

We reiterate our commitment to continue to provide a quality service and innovative experience to our students, both in person and virtually, in order to enrich their academic experience.

We wish for your continued success!

Cordially,

Treasury Office
Columbia Central University

TUITION, FEES AND OTHER CHARGES

Effective for Terms starting on or after 07/01/2023

The Tuition, Fees, and Other Charges listed below are applicable to all students enrolled at Columbia Central University (CCU), with the exception of students enrolled in continuing education courses. The institution reserves the right to review costs as needed. These changes are duly notified to students prior to its implementation. Students are encouraged to be attentive for announcements regarding Tuition, Fees and Other Charges, which are published at the following link: <https://columbiacentral.edu/>

TUITION AND FEES

The Tuition and Fees listed below are costs related to the offering of the courses and are applicable to each academic term for which the student is enrolled. Refer to the Institutional Refund Policy for details regarding how CCU will handle charges when a student cancels their enrollment, adds or deletes courses during the add/drop period, or withdraws before completing a payment period.

Tuition - Supports costs associated with course development and instruction. It include costs related to providing the student with high quality laboratories, including costs associated with, but not limited to the cost of furniture, equipment, software, and special materials used in the laboratory. It also supports the costs associated with creating and maintaining an environment that offers the student the opportunity to learn and practice in a workplace setting. The amount charged is based on the total credits registered for the corresponding period.

Technology Resources and Administrative Services - Supports the availability of educational and administrative technology services including, but not limited to, the following: multimedia, access to digital resource data network, library access system enhancements, updating of e-learning systems, accident insurance, degree granting process, technology safety systems, data protection systems, and technologies to support student services.

General Fee - Supports the availability of educational and administrative technology services including, but not limited to, the following: multimedia, access to digital resource data network, library access system enhancements, updating of e-learning systems, accident insurance, technology safety systems, data protection systems, and technologies to support student services.
